## ABOUT GOOD EGG

You'd call someone nice, friendly and dependable a Good Egg! We want to be the reliable and approachable neighbour for this community. With some TLCC and abundance of kindness (cause God knows we need it in this world), your wellbeing is our priority.

Like Bearded Bella, we believe in creating dishes where you can taste the genuine flavours of the ingredients. We serve food that we will feed our loved ones with quality ingredients processed in house that makes you feel good.

## OUR BELIEF

Good Egg by Bearded Bella is the place where you can get a break from the busyness of the day. Don't be shy, we're good eggs, your friendly neighbours in the area who are here to nourish your body and provide your coffee fix.

The coffee is lovingly sourced and roasted at Bearded Bella, and you can bet the food is going to be tasty.

Step away from the office, and take a break with us. We'll help you disconnect for a few minutes.

In a world where you can be anything, be a good egg with us.
